

Dear Ms. Henney:

4-16-99

Please act on the HFA petition to put an end to the practice of feeding dead animals, feathers, feces, etc., to other animals! (Docket 99P-0033/CP 1) It goes contrary to nature, so will not work well for the animals or the human consumers! Bovines are not carnivores! And feeding animal residue + offal to livestock spreads mad-cow-type diseases among the various populations. It is a revolting idea + has nothing in its favor! The only ones who may think it has something to recommend it are those who are driv-
